A membership with ASM International gives you the edge you seek to advance professionally. Benefits include:

- [My ASM](#) – Link to your individualized ASM portal to materials news, topics, email and more
- [Advanced Materials & Processes](#) - Enjoy the best of ASM's award-winning magazine
- [ASM Desk Editions Online](#) – Find authoritative answers on properties, processing, analysis and testing, including free access to Materials Handbook and Engineered Materials Handbook, a \$600 value
- [ASM chapters, communities and affiliates](#) – Network with peers at our industry conferences and expositions. Build new friendships at social events
- [Volunteer Opportunities](#) - Take an active role in the leadership of ASM
- [Group Discount Program](#) – Discover special pricing on services like insurance, magazines, shipping, and rental cars
- [CareerHub](#) – View new job opportunities and build your career
- [ASM Member Directory](#) – Access colleagues and experts in your field
- [ASM Archive](#) – Research past projects with this archive of ASM journals, magazines and webinars
- [Reference Materials](#) – Enjoy member discounts to popular reference materials, such as images, databases, charts, diagrams, evaluations, and ASM Handbooks®
- [Online Journals](#) – Get full-text access to years of Metallurgical and Materials Transactions A & B plus 20 more journals
- [ASM Connect](#) - Where members ask questions, network with other members and contribute to ongoing discussions

ASM MEMBERSHIP IS AN EASY, AFFORDABLE WAY TO:

- Gain the support you're looking for to make your job easier
- Get practical, technical answers
- Access continuing education programs that keep you competitive
- Grab opportunities to volunteer and give back
- Achieve the professional visibility and peer recognition you need to take the next step up in your career
- Receive substantial savings on the services you need every day to do your job better

Advanced Materials & Processes - Enjoy the best of ASM's Digital Library

The screenshot shows the top navigation bar of the ASM Digital Library website. It includes the ASM logo, the text "DIGITAL LIBRARY", a search bar, and links for "Advanced Search", "Search ASM", and "Sign In". Below the navigation bar is the "ASM BOOKS™" logo and links for "BROWSE", "EXPLORE SUBJECTS", and "ABOUT". The main content area features three highlighted sections: "Authoritative materials information, contributed by experts" (with an ASM Handbook icon), "Practical guides and reference resources on a wide variety of materials and processes" (with a Technical Books icon), and "Real-world failure case histories with analysis methods and prevention strategies" (with an ASM Failure Analysis Database icon).

ASM Gear

Share your love of materials with the world by purchasing ASM-branded merchandise – the perfect gift for materials science enthusiasts everywhere.

CDS & DVDS /

Interactive materials science information is brought to life through a large collection of DVDs and CDs.

ARTICLES /

Access thousands of free PDF articles on everything from materials processing and testing to phase diagrams and crystallography.

DATA SHEETS /

Peruse ASM's massive collection of data sheets with technical information on metals, alloys, composites and more.

PHASE DIAGRAMS /

Find out phase and equilibrium properties for a wide range of chemicals and materials with our huge assortment of phase diagrams.

JOURNALS /

The ASM Journal selection includes some of the most respected journals in the materials science industry. Subscribe today!

ONLINE DATABASES /

The most comprehensive, peer-reviewed information on a wide variety of topics – all in one central place.

Chapter Resources

With more than 80 professional Chapters Worldwide, ASM offers one of the most extensive networking opportunities available. As extensions of the Society to the local community, Chapters provide opportunities for professional networking and development.

Why Volunteer?

Volunteering your time and leadership skills in committees can be a very rewarding experience. Members find personal satisfaction in sharing their life experiences to help others solve problems, grow, and succeed. Benefit on your own career path as you learn alongside members who have much to share with you, too.

- Meet peers in your hometown
- Build your own leadership and team-building skills
- Share your industry's problems and solutions with material science professionals
- Gain knowledge and stay current on materials advancements and trends
- Find great friends as you work together to advance your industry

Visit our [Volunteer Center](#) on ASM Connect to learn more and get involved!

Other ASM journals are available by subscription at a special reduced price for members.

- Alloy Digest
- International Materials Reviews (IMR)
- Journal of Failure Analysis & Prevention (JFAP)
- Journal of Materials Engineering and Performance (JMEP)
- Journal of Phase Equilibria and Diffusion (JPED)
- Journal of Thermal Spray Technology (JTST)
- Metallography, Microstructure, and Analysis (MMA)
- Metallurgical and Materials Transactions A (MetTransA)
- Metallurgical and Materials Transactions B (MetTransB)
- Shape Memory and Superelasticity

Free Online access

ASM members also receive free online access to the following 20 Springer-owned journals:

- Journal of Materials Science
- Journal of Materials Science: Materials in Electronics
- Journal of Materials Science: Materials in Medicine
- Applied Physics A
- International Journal of Fracture
- Journal of Non-Destructive Evaluation
- International Journal of Mechanics and Materials in Design
- Metal Science and Heat Treatment
